

# -BR, -AB

## Brass & Antique Brass Finished Door Stations

**DESCRIPTION:**

The door stations with the suffix of "-BR" or "-AB" are weather resistant flush mount door stations with either a brass or an antique brass faceplate. They can be flush mounted into a standard 2-gang electrical box, and can be used with a variety of Aiphone systems. Communication at the door station is hands free, and communication at the inside station varies depending on the system selected.

**FEATURES:**

- Special finish door stations to match a variety of decors
- Shiny brass finish (-BR)
- Classic antique brass finish (-AB)
- Weather resistant
- Available for many Aiphone systems
- Flush mounts into 2-gang box or ring
- Hands free communication
