

SECURITEX WHEEL CHOCK TO CHOCK CONTAINER WHEELS

SECURITEX WHEEL CHOCK WITH STAINLESS STEEL CHAIN

SECURITEX WHEEL CHOCK TO CHOCK BUS WHEELS

SECURITEX  
WC-230  
WHEEL  
CHOCK

SECURITEX WHEEL CHOCK TO CHOCK CONTAINER WHEELS  
CHOCK IS CHAIN TO THE LOADING & UNLOADING BAY

Warning:

Please note that the primary objective for the wheel chock is to prevent the movement of the chocked tyres against any lateral movement and it should not be used as a restraining/impact object such as wheel stopper (Remember wheels chock is not wheels stopper)
