

Securitex Electronic Counter system

SPPC-IR03M-0000

Securitex Portable people counter system

Securitex Portable People Counter Model: SPPC-IR03M-0000 is developed to ease the counting of people in and out of the premises. The counter can be use in a library, shopping centre, army camp and even hospital etc. Using the PIC controlled Infrared Reflex technology this system detects people when they walk pass the counter. The built-in counter can count up to 9999. Reset button on the counter system helps to reset the count to ZERO at anytime. 12VDC 500mA power adapter will be provided to ease the installation.

Specification

Detection	: PIC controlled IR reflex technology
Counter range	: 4 digit 7 segment LED (count to 9999)
Voltage	: 12VDC
Counter Reset	: Yes
Power consumption	: 25 to 170mA (Approx) depend on the sensing distant
Dimension	: 70mm X 105mm X 35mm
